# INTRODUCTION

We are pleased to present the 1984 listing of women's groups in Canada, a work tool designed to facilitate inter-group communication.

The Women's Program hopes to have a role in changing the status of Canadian women. To that end, we have chosen to include in this listing, women's groups, organizations and agencies that are working to improve the status of women in Canada, whether the groups were formed for that purpose or not.

The listing is not exhaustive and we have no doubt overlooked a number of groups. To make the listing as useful as possible, please complete the form provided to let us know of new groups, groups that have dissolved, and name and address changes.

We appreciate your assistance and hope that you will find the 1984 listing a helpful reference and an aid to communication.

# AVANT-PROPOS

Nous sommes heureuses de vous présenter l'édition 1984 du répertoire des groupes de femmes du Canada, lequel se veut un instrument de communication pour les groupes.

Le Programme de promotion de la femme tient à contribuer à la démarche de changement de la condition des femmes canadiennes. C'est dans cette optique que nous avons choisi d'inclure dans ce répertoire les groupes de femmes, les organismes et les agences qui travaillent à améliorer la condition féminine au Canada, que ceux-ci aient été ou non constitués dans ce but.

Nous ne connaissons pas tous les groupes qui existent, et nous sommes conscientes que certains aient pu être oubliés. Pour améliorer le répertoire, nous vous invitons donc à remplir la fiche prévue à cette fin pour nous informer de l'existence de nouveaux groupes, de la disparition de certains autres ou de tout changement de nom ou d'adresse.

Nous vous remercions de votre collaboration et nous espérons que l'édition 1984 du répertoire vous sera des plus utiles et créera de nouveaux liens entre les groupes.
